

ELSEVIER

Resources, Conservation and Recycling 12 (1994) 255-256

**resources,
conservation
and recycling**

Author Index

- Abou El-Khair, A.W., *see* El-Sayed, S.A. et al.
- Alders, J.G.M.
Priorities and possibilities for Dutch responses to Rio 63
- Anderson, D.
Delinking environmental concerns from energy production and use 47
- Annema, J.A. and Ros, J.
Management of the zinc chain 209
- Boguski, T.K., Hunt, R.G. and Franklin, W.E.
General mathematical models for LCI recycling 147
- Boustead, I. and Yaros, B.R.
Electricity supply industry in North America 121
- Bruggink, J.J.C.
Rio responses in The Netherlands 67
- Buskens, V.W., *see* Jansen, J.C. et al.
- Dara, S.S., *see* Shende, A. et al.
- El-Sayed, S.A., Zaki, M.T. and Abou El-Khair, A.W.
Bioconversion of sugarcane bagasse into a protein-rich product by white rot fungus 195
- Franklin, W.E., *see* Boguski, T.K. et al.
- Goldemberg, J.
Post-Rio challenges 17
- Hunt, R.G., *see* Boguski, T.K. et al.
- Jakobsen, S.T.
Aerobic decomposition of organic wastes I. Stoichiometric calculation of air change 165
- Jansen, J.C. and Kant, A.D.
Energy for sustainable development: Post-Rio challenges and Dutch responses 1
- Jansen, J.C. and Buskens, V.W.
The role of sustainable energy issues in development cooperation 99
- Jansen, J.C. and Kant, A.D.
Energy for sustainable development: Post-Rio challenges and Dutch responses 115
- Juwarkar, A.S., *see* Shende, A. et al.
- Kant, A.D., *see* Jansen, J.C. et al.
- Kant, A.D., *see* Jansen, J.C. et al.
- Karekezi, S.
Energy policy issues in Africa 23
- Kassem, A.S.
Energy and water management in evaporative cooling systems in Saudi Arabia 135
- Kerr, A.
Energy policies and climate protection 87
- Pachauri, R.K.
Energy issues for sustainable development in Asia 31
- Papaspolyrides, C.D., Poulakis, J.G. and Varelides, P.C.
A model recycling process for low density polyethylene 177

Poulakis, J.G., <i>see</i> Papaspyrides, C.D. et al.	
Pronk, J.P.	
Energy for sustainable development: Perspectives from the industrialised world	43
Ros, J., <i>see</i> Annema, J.A. et al.	
Sanchez-Sierra, G.	
Energy policy issues in Latin America and the Caribbean	37
Schaeffer, L.	
Support for alternative energy in Asia	57
Schijndel, M.v. and Soczó, E.	
New challenges in environmental biotechnology: towards sustainable development and international cooperation	201
Schipper, L.	
Energy conservation and transfer of technology	75
Shende, A., Juwarkar, A.S. and Dara, S.S.	
Use of fly ash in reducing heavy metal toxicity to plants	221
Soczó, E., <i>see</i> Schijndel, M.v. et al.	
Subroto, .	
The road from Rio – OPEC's view	9
Van Beukering, P.	
An economic analysis of different types of formal and informal entrepreneurs, recovering urban solid waste in Bangalore (India)	229
Van den Kroonenberg, H.H.	
Energy for sustainable development: Post-Rio challenges and Dutch responses	1
Varelides, P.C., <i>see</i> Papaspyrides, C.D. et al.	
Yaros, B.R., <i>see</i> Boustead, I. et al.	
Yhdego, M.	
Institutional organic wastes as a soil conditioner in Tanzania	185
